There is a wide range of other activities on the table for the rest of the year, but we're open for more ideas!! Let us know if there's something else you want to do.

Other information

A few easy to follow steps to ensure you have the best time in Rovers:

1. Check the program and read the details.
2. If you haven't already, sign up to the Flash and SA Rovers mailing lists, as well as the SA Rover Forum. This is where you will hear most info, so you need to be registered here!
3. Check your email and the forum for the fine details. Things like start time will often come later, so keep an ear out!
4. RSVP to the Orgnaiser, even if you aren't going. Just let us know and it'll save us from chasing you up. It's as easy as a two-word email or SMS reply.
5. See anything you can help with? Then please help out. Even if it's something simple like getting some snags for a BBQ or even organising an activity - every little bit is appreciated.
6. Something missing that you want to do? We aren't going to know unless you tell us. Please make sure you tell us exactly what you're interested in doing!

Rovers is what you make of it. It's up to you to follow these steps to make sure you have fun!
